Subject: RE: RE: Literacy figures for the regional report

Hi Meena,

Got it, thanks. So between the two, which one had the higher literacy rate in the 2011 census? And what is the capital of that state?

Subject: Literacy figures for the regional report

Message 1 (Arjun Rao):
For the regional report we are comparing Kerala and Tamil Nadu on education
indicators. Can you pull the literacy figures from the census section?

Message 2 (Meena Iyer):
I have the Tamil Nadu numbers ready. For Kerala I still need to check the
Wikipedia demographics table.
Should both go on the same slide?

Message 3 (Arjun Rao):
